Chamber To Give Help In Filing State Tax Forms

Aid in filing state income tax returns will be provided tomorrow at the Torrance Chamber of Commerce Building, 1345 El Prado, where a representative of the Franchise Tax Board will set up shop to give free assistance to all taxpayers.

State tax returns for 1953 are required from all single persons whose net income was \$2,000 or more and all married couples whose combined net income was \$3,500 or more. Individuals who qualify as the Head of a Household must file if their net income was \$2,000 or more, according to Robert C. Kirkwood, chairman of the Tax Board.

Kirkwood emphasized that important differences exist between the state and federal income tax laws and that the Franchise Tax Board offers free assistance to all taxpayers at the permanent offices listed on the 1953 instructions, and at the local Chamber of Commerce.

It is anticipated that 2,900,000 state income tax returns will be filed during 1954 producing \$100,000,000 in revenue to the state. Because of the anticipated increase, Kirkwood said, it is important that persons requiring assistance in the preparation of their returns contact the Income Tax Division at the earliest possible date.

COMET VISIT

Band To Play for Graduation Dance

Dusty Williams and his Square Dance Orchestra will play for the Graduation Dance of the Torrance Square Dancers, to be held Tuesday evening, March 9 at 8 o'clock in the Civic Auditorium.

The class recently was made a part of the Torrance Adult Club and plans are under way to have the group join a national square dance organization this summer.

At the March 9 affair, the beginning dancers will be graduated into advanced square dancers. Gerald Reeser will call the turns and several guest callers may be there also. Refreshments will be served.

CLOSED MODELS
In the early days of the automobile, closed cars or "sedans" were relatively rare because they were expensive to build and were too high-priced.
